Borrower Equity Requirement	Minimum of 5%
Minimum BDC Participation Amount	\$50,000

Maximum Participation Percentage	The majority of loans will fall in the 10%-25% range, although an amount of up to 49% is allowable.
Eligible Loan Purposes	Term loans, in which proceeds must be used for an eligible business purpose, including but not limited to the purchase of owner-occupied (non-passive) real estate, and equipment. Short-term loans for construction, interim or bridge financing.
Ineligible Loan Purposes	Passive real estate investment, speculative activities, repayment of delinquent taxes, purchase ownership interest in a business, gambling, pyramid sales, payment of dividend or other distribution, and activities prohibited by Federal or State law.
Maximum Loan Term	Up to 25-year amortizations.
Interest Rate/Fees	Rates are determined by the bank lender, subject to BDC concurrence. Any fees charged by the bank lender (application, origination, documentation, construction, other) will be shared with BDC on a pro rata basis. No other program fees will be charged to the borrower.
Personal Guaranty	All owners of 20% or more of the business must provide a personal guaranty.
